

ABOUT

I am a competitive junior golfer and high school student from Argentina. I will begin my senior year in March 2026 and graduate in December 2026. My goal is to pursue a college golf opportunity where I can challenge myself at a high level while continuing to grow academically and athletically as part of a demanding and supportive program.

My strengths include consistency off the tee and a reliable short game. I am a disciplined and motivated golfer with a strong work ethic and a positive attitude. I aim to bring good energy and commitment on and off the course, contributing to my future college team with steadiness and a collaborative mindset.
