

ABOUT

I am a junior golfer and high school student from Bell Ville, Argentina. In March 2026, I will begin my senior year, and I am scheduled to graduate in December 2026. I plan to enroll in an American college in Fall 2027 and become part of a golf program where I can continue to improve, compete at a high level, and contribute to the team's success.

My strengths include accuracy off the tee and putting. I am a very composed and disciplined player, able to manage my emotions effectively throughout the challenges of a competitive round. I enjoy team golf and believe I contribute positively through strong work ethic, commitment in preparation, and a consistently positive and resilient attitude.
